

The Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear The Federal Communications Commission,

I am am writing to ask you to support the Fair Share Plan as a solution to the issues surrounding the Universal Service Fund. With the flat fee plan, I would be paying the same fees as business people and people who make a lot of long distance calls (which I don't).

I think the Fair Share Plan is the only fair solution. Thank you.

Elizabeth Kornacki 1305 Dilloway Drive Midland MI 48640

Sincerely,

Elizabeth Kornacki
